

# *Joy of Christmas Program*

Each year, we offer the Joy of Christmas program to make Christmas special for our employees' families. This year, we expect there may be more need than ever before!

If you an **hourly, non-supervisory employees** and are in need of a Christmas gift for your child/children or legal dependent between the ages of infant and 18 years old, please consider taking part in this!

The Joy of Christmas program is possible because of generous, anonymous donors. They will purchase the gift(s) and drop them off at the Corporate Office. When you receive them, they will be unwrapped and in a black bag, just in case you have curious eyes in at home!

Application forms are placed in the breakroom at your building. Please keep the dollar amount of your request reasonable! Email your form to [diane.rowe@graceluthfound.com](mailto:diane.rowe@graceluthfound.com) or send it to Diane Rowe at the Corporate Office through Intrafacility mail. I will contact you and confirm it has been received.

**November 9, 2020 – Deadline for turning in applications**

**December 21, 2020 – Gifts will be available for pick up**
